

1 step easy

The method of attaching your mat and print is designed for convenience and does not conform to archival practices. If matting collectibles or keepsakes, use a copy of the item or consult a custom frame shop that does archival framing.

1. Unpackage both MAT and BACK. Place BACK (r) on a stable surface in front of you.

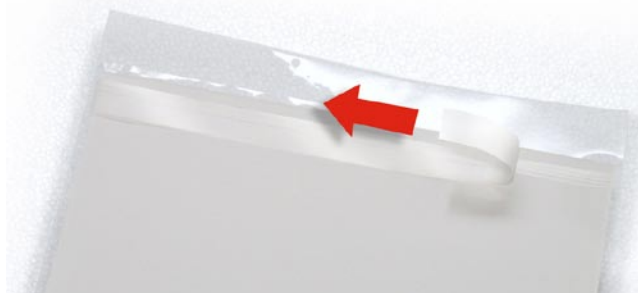

2. WITHOUT removing the cover from adhesive strips:
a. Use guides to position your PRINT on the BACK.
b. Confirm correct print position by aligning MAT, PRINT and BACK.
c. If necessary, mark revised PRINT position on the BACK with a pencil (do not use a pen).

3. Remove the MAT and PRINT. Remove the adhesive strip cover that will hold the PRINT to the BACK.
a. Position your PRINT and carefully press down on the top of your PRINT to secured it to the adhesive strip.

4. Remove adhesive strip cover from the top of the BACK.
a. Align and place the MAT onto the BACK with your PRINT in position.

5. Carefully press down on the top of the MAT to secure it to the BACK.

6. Place entire assembly in the clear presentation BAG.
a. Remove cover from adhesive strip on back of BAG.

7. Fold flap over onto the adhesive strip to enclose your PRINT, ready for handling and display.
